

**LETTER OF AGENCY**

Customer hereby selects GeoTel Communication Services, Inc. ("GeoTel") as its primary long distance provider (including intraLATA and local service where available and part of this Service Agreement) and to act as its agent in all matters related to providing long distance service for each telephone number listed with this order, including, but not limited to, the authority to place orders with the Local Exchange Carrier to change its primary interexchange carrier to GeoTel. The Customer hereby authorizes and directs any LEC, other Common Carrier, or Equipment Vendor ("Suppliers") to make information pertinent to the Customer's telecommunications services available to GeoTel. Customer further authorizes Suppliers to deal directly with GeoTel and follow its instructions with reference to any order for, changes to, maintenance on, or removal of any of the designated services which are provided. Customer understands that only one interexchange carrier may be designated as the primary interexchange carrier for any one telephone number and that any change to the primary interexchange carrier for a telephone number may involve a charge to the Customer from the Suppliers; Customer remains solely responsible for payment of all payment of all Supplier charges. If Customer's jurisdiction allows selection of additional primary interexchange carriers for individual services, Customer must indicate those providers:

CUSTOMER AGREES THAT ITS USE OF SERVICE IS SUBJECT TO THE TERMS AND CONDITIONS, AND THE TERMS, RATES, AND CONDITIONS IN THE APPLICABLE GEOTEL FEDERAL AND STATE TARIFFS, AS THEY MAY BE REVISED FROM TIME TO TIME. Customer warrants that any credit or financial information submitted to GeoTel is true and correct. Customer authorizes GeoTel to perform credit checks and to investigate bank references and other credit and financial information submitted to GeoTel where permitted.
